

## Beds YFC Weekly Update During COVID-19

Welcome to the first weekly update from Bedfordshire Young Farmers! This update is aimed to keep members, friends and supporters informed of what the County and it's seven clubs are doing during these strange times. If you'd like to be featured, please email Jean with all the different things you are doing as an individual or club to help the community or put a smile on peoples faces.

Each week we will also do a 'Club of the Week' – a focus on a particular club and how they're keeping their members involved. This will start this week with Bedford YFC and next week will be Leighton Buzzard YFC!

A Bedfordshire Covid-19 Response Group has been set up in accordance with the Charity Commission and NFYFC guidance in order to run the County Federation and to make essential management and operational decisions during the Covid-19 pandemic. The group will be meeting "remotely" on a regular basis and reporting back to the Exec Committee via email.

Many of you will have seen the fantastic videos from clubs involving toilet roll which we'll put on YouTube and share the links shortly.

Until then, don't hesitate to get in touch with any of us if you have any ideas or anything you want to discuss.

Stay safe,  
Tom, Tim and Jean

### Something to keep you busy

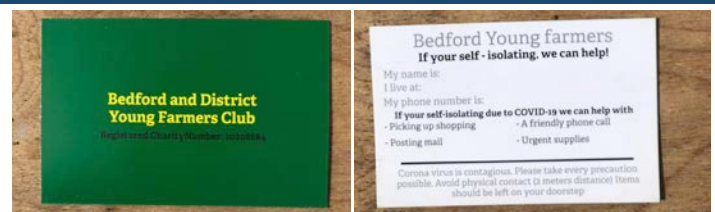

Woburn have come up with a crossword and wordsearch to keep you busy – how quickly can you do it?

Wordsearch:  
[Vegetable&LegumeWordSearch.pdf](#)

Also lets try the NFYC Revamp Challenge – details below: <https://buff.ly/2JSdA65>

### What's going on around Beds YFC...

Bedford YFC have come up with this brilliant help card to support their local community – the card is being sent to vulnerable/self isolating people around Cranfield asking if they require food, help etc. during this difficult period.

This is a great example of the community spirit within Young Farmers and there are things like this going on all over the country. Bedford YFC delivered the leaflets before lockdown and had some uptake, which will directly make life easier for the most vulnerable during this time. Well done Bedford YFC!
