

Beds YFC Weekly Update During COVID-19

The Beds Covid-19 Response Group held their second video call on the evening of Wednesday 15th April 2020 to discuss the 2021 Rally and the new date will be officially circulated next week.

News from NFYFC:

- The decision has been made that the NFYFC's 2020 Competitions programme is cancelled. The 2020 programme will be re-run in 2021. There is just one exception – the 2021 Performing Arts competition will be Pantomime.
- For the 2020/21 NFYFC competitions programme all age ranges will also go up by one year - YFC members aged 27 or under on 1 September will be able to join the competitions programme. The decision to increase ages for competitions has been made on the basis that no YFC member will miss their final opportunity to participate in the competitions that were planned for 2020. The age limits for the sports competitions will still apply due to the insurance restrictions still being in force.
- The new membership scheme due to start in September 2020 has been put on hold.

Something to keep you busy

We have made our own toilet roll challenge video! This has proved very popular and lots of ex members/ oldies have commented on how much they have enjoyed it!

YFC ISOLATION TALENT CHALLENGE - <http://nfyfc.org.uk/isolationchallenge-talent>

This is the latest challenge on the YFC at Home page – started on 17th April and finishes on 23rd. The only real criteria is you need to record a short video that will entertain the YFC masses – and must be suitable for a family audience!

What's going on around Beds YFC...

Leighton Buzzard Club have been doing #throwbackthursday. Helen Brown has sent in the following: Where we have been posting old photos of ex and current members. Each week having a different theme! E.g., fancy dress, parry cup, tug of war.

Leighton Buzzard have taken barbering into their own hands!

Some of our boys have been fancying themselves as barbers too! So we have been updating everyone on any new haircuts via social media!
