Blunham Club.... Update from Will Burman , Club Chairman

Blunham Young farmers have been keeping busy all through these strange times.

We started off with our Toilet roll move in which Shane had run out of and passed it around the club using videos of what we have been up to. The other clubs also gave this video a go and they are all on facebook for everyone to see. We still haven't had another call from him yet so he must be rationing!

We've been hosting weekly zoom meetings since March which have been mainly quizzes with a bingo night to change things up. Two weeks ago we tried out hand at doing a dog show with plenty of classes for all shapes and sizes, most handsome dog to waggiest tail and dog most like it's owner! Pictures were sent in and judged by the members group on facebook to keep everyone involved even those who don't have a canine friend.

Our club AGM will be held as normal at the beginning of July. We look forward to returning to normal weekly meetings when the time comes! We hope everyone is staying safe and well!
